# 30 Day Maths Challenge

© The Mum Educates

Count how many pair of shoes you have. <b>Day 1</b> 	Learn and write the properties of 2 different 2D shapes. <b>Day 2</b> 	Walk to the park. How long does it take you to reach the park? <b>Day 3</b> 	Clean your room daily for one week and write down the times. <b>Day 4</b> 	How fast can you say and write numbers 1 - 100? Ask an adult to time you. <b>Day 5</b> 
Measure your sibling's height. <b>Day 6</b> 	Go to the park and find twigs. How many did you find? <b>Day 7</b> 	Play your favourite game with your family and see who scores the most points. <b>Day 8</b> 	Compare the weights of your family. Find the difference between the lightest and heaviest person. <b>Day 9</b> 	Get two coins from each person in your house. Calculate how much money do you have? <b>Day 10</b> 
Bake a pizza with your mum and share it equally with your sibling. <b>Day 11</b> 	Grab a packet of biscuits. Share one quarter with your sibling or friend. <b>Day 12</b> 	Find a five-sided shape in your house. Write the name of the shape. <b>Day 13</b> 	Make a tally chart of the favourite fruit of your family. <b>Day 14</b> 	Look for your favourite toy online. Compare the prices to find the best deal. <b>Day 15</b> 
Find a cube in your house and then write its properties. <b>Day 16</b> 	Estimate weight of watermelon in kg. Ask a grown-up to weigh it. <b>Day 17</b> 	Make two different patterns using blocks. <b>Day 18</b> 	Find a 3D shape that does not stack. Explain your answer. <b>Day 19</b> 	Hang a wet towel outside. How much time did it take to dry? <b>Day 20</b> 
Learn 10s times table and then write it down. <b>Day 21</b> 	Learn how many hours and minutes are there in one day. <b>Day 22</b> 	Read 3 books and then add the number of pages you have read. <b>Day 23</b> 	What is 27 less than 50? How do you know? <b>Day 24</b> 	Collect 40 objects around the house. Put them in the groups of 5 and then skip count in 5s. <b>Day 25</b> 
Learn to tell the time to o'clock and half past. <b>Day 26</b> 	Learn to add numbers using a number line. <b>Day 27</b> 	Make a meal for your family and then work out the cost of a meal per person. <b>Day 28</b> 	Make the biggest number with digits 5, 0 and 9. <b>Day 29</b> 	Make a bar chart showing the average daily temperature of your city. <b>Day 30</b>
